PUBLISHING PROPOSAL FORM

In order to facilitate our evaluation, we would encourage you to spend few minutes to complete the form which covers the principal aspects of submitting a proposal.

Please complete the following details

Author / Editor

Name

Affiliation

Work address

Work telephone number

Work fax number

Email id

The book

Proposed title

Brief description of the project's scope and content

Contents list (as well as a list of contributors, if it is an edited volume)*

Synopses. Sample chapters (not exceeding three).*

* Please attach

Why we should publish your book

What are the real strengths?

What target audience you have in mind?

What are the comparable books? Please list the main competitors. Is there any gap in the product map?

Essential information

What is your proposed submission date of the complete manuscript?

What will be the estimated word length? If it is an edited volume, how long is each contribution?

Can you suggest the names of at least two persons who would be willing to read your manuscript?

Please attach a C.V.

Thank you for considering frontpage.
